Family School Partnership

We had a good response to our class meetings before our BBQ on Tuesday. Thanks to the teachers for their presentations and thank you to all the parents who came along. Your comments on the meetings were very positive which was great for the teachers to hear. The evidence is consistent and conclusive that parent engagement in their child's learning makes a significant difference and for that to happen we understand that we need to give you information and we need to give you support. These meetings were one of the ways we are trying to do this. Thanks to the all those who helped set up, cook, serve and clean up after the BBQ. It's a good thing to gather as a school community and celebrate the start of our school year.

Classroom Helpers

Volunteers are an extremely important part of life at St Vincent’s. We are blessed with the number of parents willing to help not only in the classroom but for the extra-curricular activities as well. On Tuesday 5th March at 2.30pm there will be an important information session for all those willing to help in our classrooms. This session will be repeated on Wednesday morning straight after assembly. Both sessions will be held in the library annex, and will take approximately ¾ hour. The invitation is open to all who have helped out in the past but will be especially useful for our new families. Please see me (Julie) for more information.
