Project Compassion Grades Prep

This year both Prep Grades are joining together to organise coin lines to raise money for project compassion. On Friday 15th March at 10.45am all grades can come to the top playground and you are to place the coins on a letter of the alphabet which will be drawn on the asphalt with chalk. We will be using the letters we have introduced to the preps so far this year.

The highest amount of money will win hot chips for their class. It may not be the longest line or letter it will be the letter which has raised the largest amount of money.
