Art Room News

A selection of works from the students of St Vincent de Paul Primary School will be on show at the Latrobe Performing Arts Centre with an opening on Tuesday, 26th March, 4.30pm. The works will be on display for about four weeks, during which a variety of Arts Events take place with the works being exposed to many, possibly thousands of admirers. Please pop the opening dates into your planner and write it up on your calendar as we would love to see you there supporting our students and children.

The children have been so engaged in learning and creating and having fun in the art room, The works have a strong Asian influence, as is our focus in Art this year. So an invitation is extended to all families and members of our school community to come along, admire, enjoy and be inspired by these beautiful works of Art. A request and reminder to all parents of Prep children. Please pick up children from the Art Room, Room 8, double doors facing the infant block.

Prep/BC - Tuesday Afternoon
Prep/JC - Thursday Afternoon

A request for plastic containers with lids for the Art Room. Please start saving containers:
e.g. ice cream containers butter/margarine containers and then send them in as they are desperately needed in the Art Room.

Thanks to all
Angela Thomas, Art Teacher
